MEMORANDUM FOR THE RECORD

SUBJECT: Bibliography on Turkic Languages and Literatures
in Central Asia

1. [] called and said that after review of the subject bibliography that OTR could not justify OTR support for publication. [] said that he had a strong belief that the bibliography should be published as it would be useful to several parties both in public and private life. He suggested as a means to accomplish this, in view of the fact that [] does not want any money, that perhaps ERS would consider publishing the bibliography in the same manner that it published other private papers making them available to both public and private communities.

2. I passed this suggestion along to [] who said they might wish to publish this and he will get the bibliography from the library and look it over. I advised [] that after his decision on publication that he contact []

3. I advised [] on above and he is returning the bibliography to the library today.

4. I passed on [] present address to []
